

BBUC WELCOMES THE OFF-SEASON WITH LONG SLEEVE JERSEY

We're bracing ourselves for the cooler months in Vienna. Our new Off-Season jersey has been developed to keep you covered up and comfortable when you're dancing through the forests on your pedals as the leaves fall around you.

Our long-sleeved jersey is made from schoeller[®] fabric with full-length sleeves and sealed cuffs for added warmth, and pre-dyed yarn for a deeper, more solid colour.

The jersey features a circular brillibrilliant/unicorn graphic to the rear and is available in four colourways: Black, olive, burgundy and royal blue.

Designed in Vienna, manufactured in Italy.
BBUC certified. Disco approved.
